Goals of National Adoption Day:

05-34-22

- Finalize adoptions from foster care in all 50 states.
- Celebrate and honor all families who adopt.
- Raise awareness about the thousands of children in foster care waiting for adoption.
- Encourage others to adopt children from foster care.
- Build collaboration among local adoption agencies, courts and advocacy organizations.
- Through research, learn more about families wanting to adopt and the children waiting to be adopted, with the goal of finding more permanent, loving homes for children in foster care.
